The obligations secured hereby shall include (a) loans to be made concurrently or in connection with this Agreement and any other documents now or later given in connection with the loan (collectively, "the Loan Documents") as evidenced by one or more promissory notes payable to the order of Lender that shall be due and payable as set forth in such promissory notes, and any renewals or extensions thereof, (b) the full and prompt payment and performance of any and all other indebtedness and other obligations of Borrower to Lender, direct or contingent (including but not limited to obligations incurred as indorser, guarantor or surety), however evidenced or denominated, and however and whenever incurred, now or later existing, including but not limited to indebtedness incurred pursuant to any present or future commitment of Lender to Borrower and any and all future advances regardless of the class of such future advances, and (c) all future advances made by Lender for taxes, levies, insurance and preservation of the Collateral and all attorney's fees, court costs and expenses of whatever kind incident to the collection of any of said indebtedness or other obligations and the enforcement and protection of the security interest created hereby.

3. Representations, Warranties and Agreements of Borrower. Borrower represents, warrants and agrees as follows:

(a) Borrower will promptly notify Lender, in writing, of any change in Borrower's place or places of business if the Collateral is used in business, or of any change in Borrower's residence if the Collateral is not used in business, and regardless of use, of any change in the location of the Collateral or any records pertaining thereto.

(b) Borrower is the owner of the Collateral free and clear of any liens, security interests, claims and encumbrances, contingent or otherwise. Borrower will defend the Collateral against the claims and demands of all persons.

(c) Borrower will pay to Lender all amounts secured hereby as and when the same shall be due and payable, whether at maturity, by acceleration or otherwise, and will promptly perform all terms of said indebtedness and this or any other security or loan agreement between Borrower and Lender, and will promptly discharge all said liabilities.

(d) Borrower will at all times keep the Collateral insured against all insurable hazards in amounts required by the Loan Documents. Such insurance shall be obtained from such companies as may be acceptable to Lender, with provisions satisfactory to Lender for payment of all losses thereunder to Lender as its interests may appear. Subject to any provisions of the Loan Documents with respect to the disposition of insurance proceeds: (i) on or after the occurrence of an Event of Default, any money received by Lender under said policies may be applied to

the payment of any indebtedness secured hereby; and (ii) if no Event of Default has occurred, the proceeds of any insurance shall be delivered by Lender to Borrower for the purpose of repairing or restoring the Collateral. Borrower assigns to Lender all right to receive proceeds of insurance not exceeding the amounts secured hereby, directs any insurer to pay all proceeds directly to Lender, and appoints Lender as Borrower's attorney in fact to endorse any draft or check made payable to Borrower in order to collect the benefits of such insurance. If Borrower fails to keep the Collateral insured as required by Lender, Lender shall have the right to obtain such insurance at Borrower's expense and add the cost thereof to the other amounts secured hereby.

(e) Borrower will pay all costs of filing of financing, continuation and termination statements with respect to the security interests created hereby, and Lender is authorized to do all things that it reasonably deems necessary to perfect and continue perfection of the security interests created hereby and to protect the Collateral.

(f) The address set forth after Borrower's signature on this Agreement is Borrower's principal place of business and the location of all tangible Collateral and the place where the records concerning all intangible Collateral are kept and/or maintained. Borrower also has places of business as described in the Loan Agreement.

In addition, each Borrower makes the additional representations set forth in Exhibit B and Exhibit C, respectively.

4. Severability. If any provision of this Agreement is held invalid, such invalidity shall not affect the validity or enforceability of the remaining provisions of this Agreement.

5. Binding Effect. This Agreement shall inure to the benefit of Lender's successors and assigns and shall bind Borrower's heirs, representatives, successors and assigns.

6. Termination Statement. Borrower agrees that, notwithstanding the payment in full of all indebtedness secured hereby and whether or not there is any outstanding obligation of Lender to make future advances, Lender shall not be required to send Borrower a termination statement with respect to any financing statement filed to perfect Lender's security interest(s) in any of the Collateral, unless and until Borrower shall have made written demand therefor. Upon receipt of proper written demand, Lender may at its option, in lieu of sending a termination statement to Borrower, cause said termination statement to be filed with the appropriate filing officer(s).

7. Protection of Collateral. Borrower will not permit any liens to attach to any of the Collateral, nor permit any of the

Collateral to be levied upon under any legal process, nor permit anything to be done that may impair the security intended to be afforded by this Agreement, nor permit any tangible Collateral to become attached to or commingled with other goods without the prior written consent of Lender.

8. Special Agreements With Respect to Certain Tangible Collateral. Borrower additionally agrees and warrants as follows:

(a) Borrower will not permit any of the tangible Collateral to be removed from the location specified herein, other than the diesel locomotives and equipment attached hereto, without the prior written consent of Lender, and will permit Lender to inspect the Collateral at any reasonable time during normal business hours.

(b) Borrower will notify Lender thirty (30) days in advance of any change in the location of Borrower's principal place of business.

(c) Borrower will not sell, exchange, lease or otherwise dispose of any of the Collateral or any interest therein without the prior written consent of Lender, other than in its ordinary course of business.

(d) Borrower will keep the Collateral in good condition and repair, ordinary wear and tear excepted, and will pay and discharge all taxes, levies and other impositions levied thereon as well as the cost of repairs to or maintenance of same, and will not permit anything to be done that may materially impair the value of any of the Collateral (ordinary wear and tear excepted). If Borrower fails to pay such sums, Lender may do so for Borrower's account and add the amount thereof to the other amounts secured hereby.

(e) Until the occurrence of an event of default, Borrower shall be entitled to possession of the Collateral and to use the same in any lawful manner, provided that such use does not cause excessive wear and tear to the Collateral, cause it to decline in value at an excessive rate, or violate the terms of any policy of insurance thereon.

9. Special Agreements With Respect to Intangible and Certain Tangible Collateral. Borrower and Lender additionally agree as follows:

(a) Lender's security interest hereunder shall attach to all proceeds of all sales or other dispositions of the Collateral. If at any time any such proceeds shall be represented by any instruments, chattel paper or documents of title, then such instruments, chattel paper or documents of title shall be promptly delivered to Lender and shall be subject to the security interest

granted hereby. If at any time any of Borrower's inventory is represented by any document of title, such document of title will be delivered promptly to Lender and shall be subject to the security interest granted hereby.

(b) By the execution of this Agreement, Lender shall not be obligated to do or perform any of the acts or things provided in any contracts covered hereby that are to be done or performed by Borrower, but if there is a default by Borrower in the payment of any amount due in respect of any indebtedness secured hereby, then Lender may, at its election, perform some or all of the obligations provided in said contracts to be performed by Borrower, and if Lender incurs any liability or expenses by reason thereof, the same shall be payable by Borrower upon demand and shall also be secured by this Agreement.

(c) At any time after the occurrence of an event of default, Lender shall have the right to notify any account debtors obligated on any or all of Borrower's accounts receivable and any others obligated to Borrower under any leases or other contracts to make payment thereof directly to Lender, and to take control of all proceeds of any such accounts and proceeds of contract rights. Until such time as Lender elects to exercise such right Borrower is authorized, as agent of the Lender, to collect and enforce said accounts.

10. Power of Attorney. Borrower hereby constitutes the Lender or its designee, as Borrower's attorney-in-fact with power, upon the occurrence and during the continuance of an Event of Default, to endorse Borrower's name upon any notes, acceptances, checks, drafts, money orders, or other evidences of payment or Collateral that may come into either its or the Lender's possession; to sign the name of Borrower on any invoice or bill of lading relating to any of the accounts receivable, drafts against customers, assignments and verifications of accounts receivable and notices to customers; to send verifications of accounts receivable; to notify the Post Office authorities to change the address for delivery of mail addressed to Borrower to such address as the Lender may designate; to execute any of the documents referred to in Section 3(e) hereof in order to perfect and/or maintain the security interests and liens granted herein by Borrower to the Lender; and to do all other acts and things necessary to carry out this Security Agreement. All acts of said attorney or designee are hereby ratified and approved, and said attorney or designee shall not be liable for any acts of commission or omission (other than acts of gross negligence or willful misconduct), nor for any error of judgment or mistake of fact or law; this power being coupled with an interest is irrevocable until all of the obligations secured hereby are paid in full and any and all promissory notes executed in connection therewith are terminated and satisfied.

11. Casualty and Liability Insurance Required. (a) Borrower will keep the Collateral continuously insured against such risks as are customarily insured against by businesses of like size and type engaged in the same or similar operations. The insurance:

(i) shall be by such insurer (or insurers) as shall be financially responsible, qualified to do business in North Carolina of recognized standing and reasonably acceptable to Lender;

(ii) shall be in such form and have such provisions (including, without limitation, the loss payable clause, the waiver of subrogation clause, the deductible amount, if any, and the standard mortgagee endorsement clause), as are generally considered standard provisions for the type of insurance involved and are acceptable in all respects to Lender;

(iii) shall prohibit cancellation, termination or lapse in coverage by the insurer without at least 30 days' prior written notice to Lender;

(iv) shall provide that the interest of Lender shall not be impaired or invalidated by any act or neglect of Borrower nor by the occupation of the premises wherein such Collateral is located for purposes more hazardous than are permitted by said policy;

(v) without limiting the generality of the foregoing, all insurance policies carried on the Collateral shall name Lender as mortgagee, loss payee and a party insured thereunder.

(b) Prior to expiration of any such policy, Borrower shall furnish Lender with evidence satisfactory to Lender that the policy or certificate has been renewed or replaced or is no longer required by this Security Agreement.

12. Events of Default. It is understood and agreed that the occurrence of any one or more of the following shall constitute an "Event of Default" hereunder, and shall entitle Lender to take such actions as are elsewhere provided in this Security Agreement: (a) an event of default under the Loan Documents or any loan agreement given in connection with the Loan Documents or any note executed in favor of the Lender shall have occurred; or (b) any representation, warranty or covenant made by Borrower herein, in the Loan Agreement or in any other existing or future agreement with Lender shall prove to have been false in any material respect when made or is breached, violated, or not complied with; or (c) any uninsured damage to or loss, theft or destruction of any of the Collateral shall occur which shall materially adversely affect the value of the Collateral as a whole. For purposes of this Security

Agreement, the term "Default" shall mean any event which constitutes an Event of Default or which but for the lapse of time or giving of notice, or both, would constitute an Event of Default.

13. Rights and Remedies Upon Default. Upon and after an Event of Default, the Lender shall have the following rights and remedies, all of which may be exercised with or without notice to Borrower:

(a) To exercise all rights and remedies provided to Lender under the Loan Documents upon the occurrence of an "Event of Default" under the Loan Documents, including the right to declare the Loan, and have the same become, immediately due and payable;

(b) All of the rights and remedies of a secured party under the Uniform Commercial Code of the state where such rights and remedies are asserted, or under other applicable law, all of which rights and remedies shall be cumulative, and none of which shall be exclusive in addition to any other rights and remedies contained in this Security Agreement, the Loan Documents, or any other documents, certificates or agreements delivered by Borrower in connection with the Loan Documents.

(c) The right to foreclose the liens and security interests created under this Security Agreement by any available judicial procedure or, to the extent permitted by law, without judicial process;

To the extent permitted by law, Lender may thereupon enter Borrower's premises without legal process and without incurring liability to Borrower (except for damage to the premises caused by the gross negligence or willful misconduct of the Lender) and remove all or part of the Collateral, and sell any or all of such Collateral, whether in its then condition or after further preparation or processing, either at public or private sale, with or without notice and with or without advertisement, in lots or in bulk, for cash or for credit, at any time or place, in one or more sales, and upon such terms and conditions as Lender may elect. At any such sale, Lender may be the purchaser.

The proceeds from any sale shall first be applied to any costs and expenses in securing possession of the Collateral, storing, repairing and finishing for sale, and to any expenses in connection with the sale. The remaining proceeds will then be applied toward the payment of any and all of the Loan, including interest, reasonable and actual attorneys' fees and all other costs and expenses with such application to principal or interest in Lender's absolute discretion. Any deficiency will be paid to Lender forthwith upon demand.

14. Rights and Remedies Cumulative; Non-Waiver; Etc. The enumeration of Lender's rights and remedies set forth in this

Security Agreement is not intended to be exhaustive and the exercise by Lender of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative, and shall be in addition to any other right or remedy given hereunder, or under any other agreement between Borrower or Lender or which may now or hereafter exist in law or in equity or by suit or otherwise. No delay or failure to take action on the part of Lender in exercising any right, power or privilege shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude other or further exercise thereof or the exercise of any other right, power or privilege or shall be construed to be a waiver of any Event of Default.

15. Supplemental Documentation. At Lender's request, Borrower shall execute and deliver to Lender, at any time or times hereafter, all documents, instruments and other written matter that Lender may reasonably request to perfect and maintain perfected Lender's security interest in the Collateral in form and substance acceptable to Lender, and pay all charges, expenses and fees Lender may reasonably incur in filing any of such documents, and all taxes relating thereto.

16. Definitions and Governing Law. All terms used herein shall be defined in accordance with the appropriate definitions appearing in the Uniform Commercial Code as in force in the State of North Carolina, or if not otherwise defined herein, as defined in the Loan Documents, and such definitions are hereby incorporated herein by reference and made a part hereof. This Security Agreement shall be governed in all respects by, and construed in accordance with, the laws of the State of North Carolina, including without limitation the Uniform Commercial Code of the State of North Carolina.

IN WITNESS WHEREOF, Borrower and Lender have executed this Agreement, or have caused this Agreement to be executed as of the date first above written, and the seal of the Borrower to be affixed hereto and adopted as its seal.
